## 7. Conditions

### 7.1 Duty of Disclosure

Under the laws of England and Wales a policyholder has a duty to make a fair presentation of the risk, and to disclose all material circumstances, and should be aware of the consequences of not doing so. It is necessary to disclose all information which would influence the judgement of a prudent insurer in determining whether or not to accept a risk, and upon what terms. Failure to comply with this duty may give the insurer the right to void the policy from its inception, or to impose different terms, or to reduce the amount paid on any claim.

### 7.2 Change of Owning Company within the same beneficial Ownership

Any changes in the Assured under the Hull and Machinery Marine/War policies within the same beneficial Ownership are deemed to be automatically incorporated herein without notice.

### 7.3 Arbitration

The parties agree that prior to recourse to courts of law any dispute between them concerning the provisions of this insurance shall first be the subject of arbitration.

The following arbitration procedure shall be used in any dispute concerning this insurance and shall exist as a separate contract if there is a dispute over the validity or formation of this insurance.

Unless the parties agree upon a single arbitrator within thirty days of one receiving a written request from the other for arbitration, the claimant (the party requesting arbitration) shall appoint his arbitrator and give written notice thereof to the respondent. Within thirty days of receiving such notice the respondent shall appoint his arbitrator and give written notice thereof to the claimant, failing which the claimant may apply to the appointor hereinafter named to nominate an arbitrator on behalf of the respondent.

Before the commencement of arbitration proceedings the two arbitrators shall appoint a third arbitrator who shall act as chairman of the tribunal. Should they fail to appoint such a third arbitrator within thirty days of the appointment of the respondent's arbitrator then either of them or either of the parties may apply to the appointor for the appointment of the third arbitrator. The arbitrators appointed by the parties in dispute shall decide the verdict but if they cannot agree they shall seek the verdict of the chairman of the tribunal, which shall prevail.

Unless the parties otherwise agree the arbitration tribunal shall consist of persons with not less than ten years' experience of insurance or reinsurance.

The arbitration shall be conducted subject to and in accordance with the Arbitration Act 1996 and any statutory revision or modification thereof.

The appointor shall be the President of the London Maritime Arbitrators' Association:

L.M.A.A.  
St.Paul's,  
The International Dispute Resolution Centre,

London EC4M 7BQ

All costs of the arbitration shall be at the discretion of the arbitration tribunal who may direct to and by whom and in what manner they shall be paid.

The seat of the arbitration tribunal shall be in London and the arbitration tribunal shall apply the laws of England and Wales as the proper law of this Agreement.

The award of the arbitration tribunal shall be in writing and binding upon the parties who covenant to carry out the same. If either of the parties should fail to carry out any award the other may apply for its enforcement to a court of competent jurisdiction in any territory in which the party in default is domiciled or has assets or carries on business.

#### 7.4 **Assignment**

No assignment of or interest in this insurance or in any monies which may be or become payable thereunder is to be binding on or recognised by the Underwriters unless documentary evidence is provided of such assignment or interest by Hull and/or Club insurers.

#### 7.5 **Choice of Law and Jurisdiction**

This contract shall be subject to and construed in accordance with the law of England and Wales and, save as provided in the Arbitration Clause, shall be subject to the jurisdiction of the Courts of England and Wales.

#### 7.8 **False or Fraudulent Claims**

If any request for indemnity is made and any part of such request is in any respect false or fraudulent or dishonest or exaggerated, as regards the amount or otherwise, this Policy may become void and any indemnity hereunder may be forfeited and Underwriters may not return any premium to the Assured.

Underwriters may also take legal action against the Assured.

#### 7.9 **Other Insurance**

In the event that cover is provided under other insurances, this policy will only respond if those other insurances either exclude or limit their liability in respect of the relevant loss or Occurrence.

#### 7.10 **Rights of Third Parties**

Neither this insurance nor any certificates issued hereunder confer any benefits on any third parties. No third party may enforce any term of this insurance or of any certificate issued hereunder. This clause shall not affect the rights of the Assured (as assignee or otherwise) or the rights of any loss payee.

#### 7.11 **Sanctions Limitation and Exclusion**

Underwriters shall not be deemed to provide cover and shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

#### 7.12 Subrogation

If the Underwriters become liable for any payment under this Insurance in respect of loss or damage the Underwriters shall be subrogated, to the extent of such payment, to all the rights and remedies of the Assured against any party in respect of such loss or damage and shall be entitled at their own expense to sue in the name of the Assured. The Assured shall give to the Underwriters all such assistance in his power as the Underwriters may require to secure their rights and remedies and, at Underwriters' request shall execute all documents necessary to enable Underwriters effectively to bring suit in the name of the Assured including the execution and delivery of the customary form of loan receipt.

#### 7.13 Termination

The cancellation becomes effective at midnight on the seventh day from the date the cancellation notice was issued. The Underwriters agree, however, to reinstate this cover subject to prior agreement being reached as to the new rate of premium to be charged and conditions or warranties to be applied.

##### 7.13.2 Automatic Termination of Cover

Cover in respect of the risks insured hereunder shall not become effective if, subsequent to acceptance by Underwriters and prior to the intended time of attachment of risk, there has occurred any event which would have automatically terminated cover under the provisions of this clause.

### 8. Claims

8.1 In the event of a suspected Cyber Attack which may result in a claim under this insurance, so that Underwriters' Appointed Consultants may be appointed if the Underwriters so desire, notice must be given to the Underwriters promptly after the date by which the Assured become or should have become aware of both the potential loss, damage or liability and that their Marine Hull and/or their War Risks and/or their P&I Underwriters have formally advised the Assured that the potential loss, damage or liability may have arisen as a result of a Cyber Attack.

If notice is not given to the Underwriters within twelve months of the expiry of the policy, unless the Underwriters agree to the contrary in writing, the Underwriters will be automatically discharged from liability for any claim under this insurance in respect of or arising out of such Cyber Attack.

8.2 The Underwriters shall be entitled to decide the port to which the Vessel shall proceed for docking or repair (the actual additional expense of the voyage arising from compliance with the Underwriters' requirements being refunded to the Assured) and shall have a right of veto concerning a place of repair or a repairing firm.

8.3 The Underwriters may also take tenders or may require further tenders to be taken for the repair of the Vessel. Where such a tender has been taken and a tender is accepted with the approval of the Underwriters, an allowance shall be made at the rate of 30% per annum on the insured value for the time lost between the despatch of the invitations to tender required by the Underwriters and the acceptance of a tender to the extent that such time is lost solely as the result of tenders having been taken and provided that the tender is accepted without delay after receipt of the Underwriters' approval.

8.4 Due credit shall be given against the allowance as above for any amounts recovered in respect of fuel and stores and wages and maintenance of the Master, Officers and Crew or any member thereof, including amounts allowed in general average, and for any amounts recovered from third parties in respect of damages for detention and/or loss of profit and/or running expenses, for the period covered by the tender allowance or any part thereof.

8.5 Where a part of the cost of the repair of damage other than a fixed deductible is not recoverable from the Underwriters, the allowance shall be reduced by a similar proportion.

8.6 In the event of loss or damage to equipment or apparatus not owned by the Assured but installed for use on board the Vessel and for which the Assured has assumed responsibility, claim shall not exceed (1) the amount the Underwriters would pay if the Assured were owner of such equipment or apparatus, or (2) the contractual responsibility assumed by the Assured to the owners or lessors thereof, whichever shall be less.

8.7 No claim for unrepaired damages shall be allowed, except to the extent that the aggregate physical damage caused by Cyber Attack during the Policy Period and left unrepaired at the expiration of the Policy shall be demonstrated by the Assured to have diminished the actual market value of the Vessel on that date if undamaged by physical damage following such Cyber Attack.

**8.8 Assistance and Cooperation**

- 8.8.1 The Underwriters shall not be called upon to assume charge of the settlement or defence of any claim, but the Underwriters shall have the right and shall be given the opportunity to associate with the Assured or the Assured's Marine insurers or both in the defence and control of any claim, suit or proceeding relative to any Occurrence where the claim involves, or appears reasonably likely to involve, the Underwriters, in which event the Assured and the Underwriters shall cooperate in all things in the defence of such claim.
- 8.8.2 The Assured shall furnish promptly all information reasonably requested by the Underwriters with respect to any Occurrence, both with respect to any claim and pertaining to coverage under this Policy.
- 8.8.3 If liabilities, losses, costs and/or expenses are in part covered by this Policy and in part not covered by this Policy, such losses, costs and/or expenses shall be apportioned on a pro-rata basis between insured and uninsured losses.
- 8.8.4 Those expenses incurred by the Underwriters on their own behalf in connection with claims representation pursuant to this Condition shall be at their own expense and shall not erode the Policy Limit.

**9 General Average and Salvage**

- 9.1 This insurance covers the Vessel's proportion of salvage, salvage charges and/or general average but in case of general average sacrifice of the Vessel the Assured may recover in respect of the whole loss without first enforcing their right of contribution from other parties.
- 9.2 Claims to be adjusted in accordance with applicable law and practice at the termination of the adventure but where the contract of affreightment provides otherwise, then the claim will be adjusted in accordance with such provisions.
- 9.3 When the Vessel sails in ballast, not under charter, the provisions of the York-Antwerp Rules, 1994 (excluding Rules XI(d), XX and XXI) shall be applicable, and the voyage for this purpose shall be deemed to continue from the port or place of departure until the arrival of the Vessel at the first port or place thereafter other than a port or place of refuge or a port or place of call for bunkering only. If at any such intermediate port or place there is an abandonment of the adventure originally contemplated, the voyage shall thereupon be deemed to be terminated.
- 9.4 No claim under this Clause 9 shall in any case be allowed for or in respect of:
  - 9.4.1 special compensation payable to a salvor under Article 14 of the International Convention on Salvage, 1989 or under any other provision in any statute, rule, law or contract which is similar in substance.
  - 9.4.2 expenses or liabilities incurred in respect of damage to the environment, or the threat of such damage, or as a consequence of the escape or release of pollutant substances from the Vessel, or the threat of such escape or release.
- 9.5 Clause 9.4 shall not however exclude any sum which the Assured shall pay to salvors for or in respect of salvage remuneration in which the skill and efforts of the salvors in preventing or minimising damage to the environment as is referred to in Article 13 paragraph 1(b) of the International Convention on Salvage, 1989 have been taken into account.

**10 Constructive Total Loss**

- 10.1 In ascertaining whether the Vessel is a constructive total loss, the insured value shall be taken as the repaired value and nothing in respect of the damaged or break-up value of the vessel or wreck shall be taken into account.
- 10.2 No claim for constructive total loss based upon the cost of recovery and/or repair of the Vessel shall be recoverable hereunder unless such cost would exceed the insured value under the Vessel's Hull and Machinery (Marine or War risks) policy. In making this determination, only the cost relating to a single accident or sequence of damages arising from the same accident shall be taken into account.

**11 Freight Waiver**

In the event of total or constructive total loss no claim to be made by the Underwriters for freight whether notice of abandonment has been given or not.

**12 Duty of Assured (Sue and Labour)**

- 12.1 In case of any loss or misfortune it is the duty of the Assured and their servants and agents to take such measures as may be reasonable for the purpose of averting or minimising a loss which would be recoverable under this insurance.
- 12.2 Subject to the provisions below and to any applicable Deductible the Underwriters will contribute to charges properly and reasonably incurred by the Assured their servants or agents for such measures. General average, salvage charges, special compensation and expenses as referred to in Clause 9.4 and collision defence or attack costs are not recoverable under this Clause.
- 12.3 Measures taken by the Assured or the Underwriters with the object of saving, protecting or recovering the subject-matter insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.
