# What you need to know about SIGCo Cyber Non-Physical Damage Loss of Hire Insurance

## **Revenue Protection**

Provides protection against an insured vessel's loss of earnings due to malicious cyber events, whether originating from direct vessel attacks or shoreside incidents affecting an insured's offices.

## **Versatile Coverage**

Flexible cover on a fixed and agreed basis enables shipowners to customize their coverage based on their specific needs and risk appetite, ensuring a cost-effective and easy-to-understand product.

## **Insured's Shoreside Network Outage or Onboard Network Disruption**

Coverage for an insured vessel's loss of hire during the period of restoration due to a malicious cyber event disrupting the insured vessel's operations.

## **Integrated Solutions**

Integrates seamlessly with our existing Cyber Hull and Cyber Loss of Hire products, bridging the gap in coverage for non-physical damage from cyber attacks. This new product provides shipowners with a comprehensive and cost-effective insurance solution.

## **Outsource Service Provider - Loss of Hire**

Protects against an insured vessel's loss of hire when service providers' networks are compromised by cyber attacks.

## **Elevate Your Coverage, Enhance Your Savings**

Gain additional savings by bundling our new Cyber NPD LOH insurance with existing Cyber Physical Damage Loss of Hire coverage. This exclusive discount is available to all clients, with additional financial rewards for SIGCo COFR members, enabling each vessel with an active SIGCo COFR guaranty to qualify for even greater savings.

## **Security**

Cover backed 100% by Lloyd's Underwriters.
